Date: ___/___/___

1. DETAILS OF OWNER/ AGENT:

Name: _____ Address: _____

Tel. No: _____ email: _____

Other contacts: _____

2. PETS DETAILS:

Name _____ microchip no. _____

Species _____ description _____

Weight (kgs): _____ DOB: _____ sex: _____ neutered: yes / no

Vaccination history: _____

3. Boarding duration of _____ days. From the date of _____ to _____

4. Please advise if your pet is on any special medication: _____

5. Please list the items, if any that you would like to leave with your dog/cat (toys, bedding, Lead, etc.): _____

6. What special services during the boarding period? _____

7. At our boarding facility, we feed pets mainly on meat and a carbohydrate source. However, if your dog/cat has any special dietary requirements please specify below and we will do our best to meet these needs. _____

Depending on the requests, there may be an added charge. Any stocks that you have currently for your pet would be good to send with them, so they can transition slowly.

8. Do you authorize Vetpal Animal Care to use photo and/or video media of your pet(s) on websites, social media platforms and other public venues? **Yes or No**

9. Health Care at the boarding facility

A thorough physical examination is carried out on every pet on arrival to the boarding facility by our veterinary team to ensure that they are free from obvious health condition. This shall be repeated on a monthly basis during the pet’s boarding period. Pets diagnosed with any health condition shall receive the appropriate veterinary care at the cost of the owner/client.

On arrival and departure from the boarding facility, a general parasite control is administered to every pet. This includes deworming and anti- tick/flea control. This shall be repeated regularly during the pet’s stay at our boarding facility as per the guidance of our veterinary team. This may attract extra charges.

10. Any pet’s behavioral problems that we should be aware of? _____

11. Are you happy for your pet to be socialized and exercised in a group with others? YES/NO
